Kindy Orientation Commences

A huge and warm welcome is extended to the students and parents involved with our 2013 Kinder Orientation program. This is a particularly exciting time for schools and families alike as they start to focus on the changes the new school year will bring. I trust that this year’s orientation experience will be extremely positive and rewarding for all concerned.

New Goal Posts

This week students have seen the initial construction of the goal posts that were donated to the school by our P&C Association. Hopefully this project will be finished this coming Friday and that students will have full access to these posts from next week onward.

At the time of writing the posts look just like soccer goals, but students can rest assured that there are additional pieces still to be added that will allow these posts to be both soccer and rugby posts. I am sure we will have students with footballs and kicking tees busy in our playground over the weeks ahead.

Many thanks and much appreciation to our P&C Association for this generous contribution to our school.

Enrolments 2014

Thanks to all families who have returned enrolment forms in readiness for 2014. Your cooperation is appreciated and supports our forward planning activities.

New Systems of Operations

Both myself and Sharyn Curtin are involved in a number of training days over the coming weeks as we learn about new finance systems and new processes for managing and support...
student data records within our school. Our school is a pilot school for these new programs that will be rolled out state wide in 2014. Whilst these initiatives are time consuming and involve additional work at this time they will also enable our school to function better as we move forward.

PLEASE NOTE THAT FROM 5 NOVEMBER TO 18 NOVEMBER EFTPOS FACILITIES WILL NOT BE AVAILABLE AT SCHOOL.

Until next week....

**ENTERTAINMENT NIGHT**

Wow, what a great night, we finished on time at 8pm! Once again, many thanks to the families who sent in yummies for us to sell, staff and students are always so impressed. We raised about $430, this included profits so far from icy tubes.

Wednesday 13 November is WOW Day (Wear Orange Wednesday). Students can wear orange bringing in a gold coin donation to support the efforts of the SES. The SRC has decided to match dollar for dollar this amount and give it to the Rural Fire Service in support of recent bush fire emergencies.
