Shane’s Simplicities......

Week 2 is a week at school packed with an array of sporting activities. So far this week we have seen the running of the Mid-Richmond Cross Country at Coraki and the Football (soccer) and Netball Gala Day here at school yesterday. Still to come this week are the Ballina District Cross Country tomorrow at Lennox Head and the school basketball team playing in the PSSA Knock-Out against Teven-Tintenbar PS on our court on Friday at 11:00am. I am sure there will be a few students looking forward to a weekend of rest coming their way.

Mother’s Day

This weekend brings with it that special day where mothers are celebrated and recognised for all they do to make the world a better place. I wish all mum’s a very special day this coming Sunday and trust that you are pampered with the love, respect and gifts that you deserve! (And I offer just a gentle reminder to all dad’s that the P&C Mother’s Day stall is up and running and your children can get Mum a lovely gift which they will collect on Friday.)

P & C Meeting

Please be reminded that the P & C meet next Monday at 6:30 pm in the staffroom. We’d love to see you there!

Soccer Knock-Out

Yesterday a mighty band of 14 boys took up the challenge of representing our school in the state-wide soccer knock out. Our school drew Evans River as a first round opponent.
The game against Evans River was played in a wonderful spirit of sportsmanship, with both teams giving their all throughout the game.

Our school being smaller than Evans River had to call upon our 14 players across grades 3 to 6, whereas our opponents were able to field a slightly older line up. This did not deter our boys though, with players stepping up to the challenge and mixing it with them in a very competitive match. With only two of our players actually in Year 6 this year we look to have the nucleus of a strong side for 2015.

After 50 minutes of football Evans River were able to snatch a 2 nil victory, with the second goal coming late in the match. Our Woodburn boys had created some chances and put a lot of pressure on their opponents, and whilst down a goal the team was unable to find an equaliser. Despite all of our efforts a break away opportunity sealed the game for the opposition.

Evans River went on to beat Coraki 4 goals to 1 in the second game of the day.

In a time shortened match Woodburn took on Coraki in a fun game to round out the day and claimed a 2 goals to nil victory.

Whilst all boys involved throughout the day deserve accolades for their performances, there were a few extra special efforts that are worthy of note. Corey Svoboda stood out as a player with determination much greater than his stature, along with Tyler Elliott who hassled, tackled and attacked all say with utter determination and commitment. Marshall Brown claimed our two goals for the day, but as we know it takes a whole team to both defend and attack.

Congratulations to all 14 boys for their heroics against sides of bigger size and age. The challenge of playing bigger and stronger opposition did not bring fear, but rather a stronger resolve to get in, have a go and do their best. Well done lads!

On a disappointing note Oskar Ramirez-Sheen suffered an injury during the second game and needed to be subbed off the field. At this point in time we are awaiting further news about Oskar’s injury but it has affected his knee and he will be a significant loss to both our cross country team and the basketball team over the coming days. Oskar has only been with us this term and gave of his all yesterday in a sport that is somewhat new to him. The team and school are hoping for good news and wishing Oskar a speedy recovery.

**NAPLAN**

Students in Years 3 and 5 will sit the National Assessment Program – Literacy and Numeracy next week. This program is an external assessment program and the results are not provided to schools until Term 3. Whilst an indicator on student performance and growth they are not as up to date as a conversation with classroom teachers and a reflection of current classroom achievement. Students should therefore give their best efforts next week, but not be stressed about these tests. Parents and teachers are reminded of this as we guide students over the week that lies ahead.
