Following from last week's information I wish to remind all prospective Kindergarten 2015 students and families that we will be holding a meet and greet afternoon tea on Sunday 27 July, commencing at 2:00pm. This is an informal gathering to start families along the journey of transitioning to school. It is not a compulsory event but is open to both new and existing families who may have kinder students next year.

Parents interested in enrolling students in 2015 are encouraged to provide contact details to the school so that we can keep you informed of events and happenings throughout the year that may be of interest to you.

Later this week students will be provided information about, and the opportunity for students to access a mobile dental service in the weeks ahead. If you are interested in accessing this opportunity then you are asked to return forms to school by Wednesday 18 June. This will allow for appointments to be scheduled and information conveyed to parents.

This service is NOT provided by the NSW Department of Education and Communities, but rather is a private service made accessible through the school. Parents are encouraged to visit the dental van with your child/children as would be the case with any dental visit you may arrange. Please read the information provided to determine whether this opportunity is something you wish to access.
Family Contact Details

I congratulate staff who continue to make contact with families to discuss student progress at school. Being able to provide families with effective feedback on student progress and future directions is a valuable component of the partnership our school and families share. Unfortunately this can be interrupted when family contact details at school are not up to date. If you have moved house, changed phone numbers or even updated email addresses please relay this information to the school.

Our efforts to communicate are made so much easier when the lines for communication are open and accessible.

Basketball Knock Out

Both our boys and girls teams will be playing on Friday at the Ewingsdale Basketball Stadium in the second round of the NSW PSSA State Knock Out. I congratulate the teams on reaching this round and wish them well as they take on their next opponents.

Until next week...

Student Banking

School Banking is on each Friday morning. If you haven’t opened an account and would like to, please drop into the office.

This term we are giving students and schools the opportunity to win a share of sunken treasure found in the Lost City of Savings.

Students simply need to make three or more School Banking deposits during Term 2, regardless of the value, and they will automatically be entered into the competition to win some fantastic prizes.

- The national anthem of Greece has 158 verses...
- In a study of 200,000 ostriches over a period of 80 years, no one reported a single case where an ostrich buried its head in the sand.
- The duckbill platypus can store as many as six hundred worms in the pouches of its cheeks.
- 315 entries in Webster’s 1996 Dictionary were misspelled.
- Guinness Book of Records holds the record for being the book most often stolen from public libraries.
