Shane’s Simplicities......

Student Numbers – Class Impacts
As a school we are thrilled to have received new enrolments across the first half of this year. These enrolments have included new families and the return of families who have been with us previously. The majority of these new enrolments have been in our senior years and have made our Year 5-6 class very big. Over the coming weeks staff will be discussing the best strategy forward into Semester 2, which will see a few adjustments to our two senior classes. From the start of next term it is likely that we will have both a Year’s 3-4-5 and a Year’s 5-6 class. This will help us bring the current senior class size below thirty students. The decisions being made will address the academic, social and emotional needs of students. Information will be provided to families where a change in class is proposed.

Family Contact Details
Thank you to all families who have provided up-to-date contact details in recent weeks. Your cooperation is greatly appreciated as it supports us maintaining the best lines of communication between home and school.

Basketball Knock Out
Last Friday both our girls and boys Basketball teams took on the might of Byron Bay Public School at the Ewingsdale Sports Complex. The complex is an amazing place to compete, which both our teams did to the best of their abilities. Byron Bay PS is a very large school with over 600 students, thus they have a very big field of competitors to pick from when selecting their school team. This advantage

proved insurmountable, with Byron Bay claiming victory in both games played on the day.

Congratulations to our girls for not giving up at any stage in their match. Their opponents were very tall in comparison and made it difficult for us to win the ball. The spirit of the Byron Bay side was very pleasing. They showed respect to our girls both on and off the court which was very pleasing to see. The final score of 71-5 only enables comparison of scores, not comparison of commitment, enthusiasm or desire.

Our boy's side was able to have a closer contest, going down 28-9. Again, the competition was tough but the tenacity of our boys showed that you can call upon many skills (footballers, soccer players, hockey stars and the like) to make a contest.

Both teams have benefitted from the experiences of our first year playing in the PSSA Basketball Knock-Out. Thanks go to Toni McConnell for coaching the teams. Toni has given many lunch hours to the players involved, helping them to develop their skills and their understanding of the game. We now look forward to the opportunities that arise in 2015.

Mobile Dentist
Information about a mobile dental service was sent home last Friday for students who were at school. If you are interested in accessing this opportunity then you are asked to return forms to school by Wednesday 18 June. This will allow for appointments to be scheduled and information conveyed to parents.

This service is NOT provided by the NSW Department of Education and Communities, but rather is a private service made accessible through the school. Parents are encouraged to visit the dental van with your child/children as would be the case with any dental visit you may arrange. Please read the information provided to determine whether this opportunity is something you wish to access.

Student Banking
School Banking is on each Friday morning. If you haven't opened an account and would like to, please drop into the office.

Golf Fundraising Day
A big reminder the Golf Fundraising Day is on Sunday 22 June, less than two weeks away. The cost is $25 per person which includes green fees and a delicious sandwich straight off the BBQ. Entry is only available to 18 years+ as it is a licenced event.

To enter a team of 4 or to be slotted onto a team you must call the Woodburn-Evans Head Golf Club on 02 66822385. They will give you any other information regarding the day. Places are still available. Donations for prizes are still happily being accepted at the office. Keep sending the raffle tickets in and remember the child that sells the most tickets will win a prize.

Thanks
Al, Kim and Toni

Community Stuff
Playgroup at Woodburn Public School
Every Thursday (during school terms) from 9:30 am to 11:30 am. Come along for a fun morning. We have a great facility with plenty of toys and games. It's very informal - a chat and morning tea while the kids play. It's open to Mums, Dads, Grandmas, Grandpas and Carers.
**Biggest Morning Tea**

Chill Café Evans Head is holding a Biggest Morning Tea to raise money for cancer research.

The cost will be $12 per head, $5 of which goes to the Cancer Council. This includes an espresso coffee or pot of leaf tea & selection of home made cake & sandwich platters. The date is the 20 June at 10am and we would love to see you there!

**Sewing Classes**

Lismore Sewing Centre will be running sewing classes during week 1 of the upcoming school holidays.

These classes will be broken into Junior and Senior classes based on age (Primary/High school).

**Class dates:** Monday 30 June, Wednesday 2 July and Friday 4 July.

Children will be learning how to use a sewing machine and will take home a fun project made by themselves.

Sewing machines will be provided as will the project kit.

Please contact Lismore Sewing Centre on 0266213158 or email afewdesigns@bigpond.com for more information.

**Commonwealth Respite & Carelink Centre**

Far North Coast

Our Centre is here to support family members, friends or neighbours (carers) who provide a significant amount of help to someone who is a frail older person, has a disability, or chronic, terminal or mental illness.

The Centre is funded until 30 June 2015. What we provide:

- Information on carer support services on the Far North Coast
- Assistance with accessing support services that meet carer and care recipient ongoing needs.
- Provision of short-term planned and emergency respite to give carers a break from their caring role.

If you are a carer and you need some help whatever your age - call us on FREECALL ™ 1800 052 222*

*(calls from mobile phones charged at applicable rates)

## Strange, yet apparently true!

- Wearing headphones for just an hour will increase the bacteria in your ear by 700 times.
- A person can live without food for about a month, but only about a week without water.
  - If the amount of water in your body is reduced by just 1%, you'll feel thirsty.
  - If it’s reduced by 10%, you’ll die.
- You’re born with 300 bones, but by the time you become an adult, you only have 206.
- One quarter of the bones in your body, are in your feet!
