Shane’s Simplicities......
School Uniform

Our school has had a strong commitment from students and families to wearing school uniform. It is an area we are able to be fairly relaxed as compliance with our expectations is generally pleasing. The onset of the colder weather has seen an array of jumpers and fashions that do not meet with this same level of compliance. I do hope parents and students can make the effort to meet the standards of the school. School jumpers and shirts are available through the P&C uniform supply, whilst other items of clothing can be purchased at most retail outlets (Big W, Target etc).

Families who feel they cannot afford shirts and jumpers supplied through the P&C are able to purchase similar gold shirts or navy jumpers elsewhere. Our aim is to maintain our school identity and pride in our school. All assistance in meeting this expectation is appreciated and helps us avoid needing to police uniform issues.

Sporting Successes

Congratulations to the school’s touch football team that has won its way through to the second round of the state-wide knock out after defeating Caniaba 10-3 yesterday.
A big shout out also to our netball side who played in the gala day. I have heard that everyone had a great go and represented our school with pride.
Thanks to all students and staff involved.

Merit Assembly

Next week is the final week of Term 2. Our Merit Assembly will be held on the Friday afternoon (27 June) commencing

email: woodburn-p.school@det.nsw.edu.au Web: www.woodburn-p.schools.nsw.edu.au
at 2:15pm. Parents and community members are welcome to join us for this end of term recognition assembly.

**Semester 1 Reports**
Reports will be issued to students next week outlining progress that has been evidenced throughout the first half of this year. Parents will be given the opportunity to meet with teachers early next term to discuss these reports and look at future directions for student development.

**Nationally Consistent Collection of Data**

**School Students with a Disability 2014**
Our School is participating in the National Data Collection process to identify where schools are meeting the needs of students with disabilities and/or additional learning and support needs. This process will be compulsory for all schools next year and we are using 2014 as a step toward ensuring our school’s processes and practices are on target for meeting and supporting the needs of students.

The data collection is designed to collect information regarding students who have additional needs and will likely form the basis for future financial support to schools in meeting these learning needs. These needs may range from diabetes, asthma, epilepsy, physical or cognitive impairment. It is extremely important that schools capture all students who have additional needs to ensure they receive the funding to support these students in meeting their educational needs.

A letter will be sent home with your child if they are identified as requiring any form of support, which could range from health plans through to offering an adjusted curriculum. If you do not wish your child to be captured in the data please complete the permission note and return to school. Data will be collected between now and 18 July.

Until next week....

**Boys Touch Footy Team**
Congratulations to the boys touch footy team for winning their first round game against Caniaba.

The boys won 10 to 3 and special mention goes to Cody Spicer who scored 4 tries. Other try scorers included: Marshall Brown (2), Tyler Elliott (2), Natt Dunne (1) and Judd Piggott (1).

Thank you also to Luke Hayward for refereeing the game.

All boys played with enthusiasm and displayed good teamwork skills. The next round will be played early next term.

**PSSA Netball Gala Day**
Yesterday, 12 girls from our school represented us at the PSSA Netball gala day in Lismore. All girls displayed an impressive level of sportsmanship and enthusiasm towards improving their game. Unfortunately the girls lost their first round match, going down narrowly to Coraki. The team then played 3 more games, experiencing a win against Kyogle.

A big congratulations to the entire team—we are very proud of you!

A huge thank you also goes to Mrs Mander who acted as the official umpire on the day and to Toni McConnell who stepped up to not only coach but manage the team on the day. Thanks Ladies.

Golf Fundraising Day
It’s HERE! A big reminder the Golf Fundraising Day is on this Sunday 22 June. A few great reasons why you should still put your name down- $100 to the first place team plus a pick from the great range of prizes donated from our wonderful community. There’s gift vouchers, wine, electrical goods, chocolates, gifts for men, gifts for women, too many to mention. Everyone wins a prize. You don’t need to be a serious golfer, just come along and have a fun day with your friends. The cost is $25 per person which includes green fees and a delicious sandwich straight off the BBQ.

Entry is only available to 18 years+ as it is a licenced event. You can still enter a team of 4 or to be slotted onto a team. Just call the Woodburn-Evans Head Golf Club on 02 66822385. They will give you any other information regarding the day. Tee-off is at 9.30am so be there by at least 9.00am.

Thanks
Al, Kim and Toni

Got to be in it to win it!
ALL RAFFLE BOOKS & MONEY MUST BE BACK BY THIS FRIDAY IF YOU WANT A CHANCE TO WIN. The raffle will be drawn at the P&C Golf Fundraising Day this Sunday the 22nd of June. Remember the child that sells the most tickets will receive a prize from the P&C as a thank you. Extra books still available at the office.

Community Stuff
Playgroup at Woodburn Public School
Every Thursday (during school terms) from 9:30 am to 11:30 am. Come along for a fun morning. We have a great facility with plenty of toys and games. It’s very informal - a chat and morning tea while the kids play. It’s open to Mums, Dads, Grandmas, Grandpas and Carers.

Strange, yet apparently true!
• Completely blind people don’t see black, they see nothing.
• Giraffes often sleep for only 20 minutes in any 24 hours. They may sleep up to 2 hours (in spurts - not all at once), but this is rare. They never lie down.
• More germs are transferred shaking hands than kissing.
• Each person sheds 18kgs of skin in his or her lifetime

Biggest Morning Tea
Chill Café Evans Head is holding a Biggest Morning Tea to raise money for cancer research.
The cost will be $12 per head, $5 of which goes to the Cancer Council. This includes an espresso coffee or pot of leaf tea & selection of home made cake & sandwich platters. The date is the 20 June at 10am and we would love to see you there!
