This week our school has had 9 students accompanied by Mrs Bateman attending a Leadership Camp at Lake Ainsworth Sport and Recreation Centre. The students commenced the camp on Sunday afternoon and were joined by students from Cudgen, Casino West and Stratheden schools. Collectively the students have been looking at what leadership is, communication and listening skills, critical and creative thinking, goal setting and action planning, as well as problem solving and decision making.

I congratulate all of these students for taking on this challenge and extending themselves to become future leaders not only within our school, but in future schools and potentially the wider communities within which they live.

The students involved in the camp include: Sam Ticknor, Damien Rajcevic, Kylah Smith, Jack Patterson, Chloe Trustum, Alannah Skaines, Bonnie Smith, Ben Fletcher and Mikayla Kennedy.

This experience sits nicely alongside our revised Student Representative Council structure being developed and implemented.
this year.

I look forward to these students bringing their new knowledge and skills back to school and using them to be effective leaders during the remainder of the school year. Until next week....

Kindy Dental Visit

Oral Health Service to Visit Woodburn Public The Northern NSW Local Health District would like to remind parents and carers that the Child Oral Health Service offers FREE dental care to all children under 18. Oral health is essential for health and wellbeing. It is recommended that children have regular dental checkups starting at 1 year of age. Regular dental checkups can prevent minor problems becoming major ones and prevent unnecessary pain and distress.

A dentist from the Northern NSW Health District will be visiting our school Wednesday June 10 to undertake FREE dental checks for children in Kindergarten. This will take place during school time where the children will be withdrawn to visit the dentist in the hall and then the children will return to class. A note will come home today for you to complete and return to school for your child to participate in this program.

Dental visits can be fun for kids, treat these visits as normal, routine events so as not to develop fear.

100 years of Women in Policing
Police from the Richmond Local Area Command are celebrating 100 years of women in policing. There will be a baton relay in Ballina on Friday, 12 June 2015.
In addition to this, we are running a colouring in competition for the local primary school kids. The sheets will need to be completed and handed into police by Friday, 29 May 2015. There will be a large pink box located at Lismore and Ballina Police Station for the kids to drop off their entries. Their names, school and contact details must be recorded.
For some of the remote schools, we’re sure the local police will be able to assist in dropping off their entries.

### Tips for a Healthy Lunchbox

**A good helping of fruit and vegetables** - Fresh fruit is easy to pack. You can also try a tub of canned fruit or chopped fresh strawberries, pineapple or melon. Raw veggies such as carrot sticks, cherry tomatoes, cucumber or capsicum strips are popular as a snack or in a sandwich.

**Starchy food** like bread, rice, potatoes and pasta. Have a variety to choose from such as wholegrain, wholemeal or high fibre breads such as seeded rolls, Lebanese bread, pita, lavash, bagels: brown and white rice: or tricolour pasta.

**Lean protein** like tuna or salmon (fresh or canned in spring water or oils such as canola, sunflower or olive oil): boiled eggs: beans: or lean meat such as beef or chicken.

**Reduced fat dairy food** like reduced fat yoghurt, reduced fat cheese or reduced fat milk (remember to pack with a bottle of ice).

**A bottle of water** to keep your child hydrated all day. Freeze on hot days to keep the lunch box (and your child) nice and cool.

**Healthy choices** - look at food labels to help you choose the products that are lowest in saturated fat, total fat, sugar and salt.

**Nutritious snacks** such as a small box or bag of dried fruit, rice cakes or unsalted and unsweetened popcorn.

**And remember:** Treats like chocolate or chips should only be included occasionally, not every day.
