Welcome Parent Teacher Interviews
– Goal Setting Meetings

This week teachers have commenced parent-teacher interviews and/or goal setting meetings. I congratulate all families who are taking part in these processes and showing an active engagement in the learning journey of your child/children. These opportunities have been spread across this week and next to try and accommodate the needs of all families. I applaud teachers for their flexibility and willingness to meet with parents. Together we (staff and parents) can truly show students that school and learning are very valuable aspects of a life well lived.

Unfortunately appointments with Mrs Mander for this week have had to be put on hold due to some ill health. Once Rebecca is back on deck these meetings will be rescheduled.

National Consistent Collection of Data – State Process

This week I will be completing an anonymous survey on the number of students within our school who are provided with significant support and learning adjustments to help them succeed within the school environment. The statistical data may be used to determine how to best support schools to meet the diverse learning needs of students. To be counted in this data students will have been receiving significant support for a period greater than ten weeks. If
parents are interested in learning more about this data collection please feel free to contact me. Again, it is an anonymous survey that builds on the collection of data we undertook in 2014.

**P&C Meeting**
The first P&C Meeting for term 3 will be held next Monday night commencing at 6:30pm sharp in our school staffroom. Interested parents and community members are encouraged to attend. If you wish to be a voting member there is an annual membership fee of $2.

**P&C Golf Day**
Last Sunday the P&C Association held its annual Golf Day fundraiser. The day proved to be a success again, although numbers participating and the profits made were down on previous years. Thoughts on this day and future fundraising opportunities are likely to be discussed at next Monday’s meeting.

**School Debating Update**
Our two school debating teams and Mrs Duncan were off to Wyrallah Road Public School this week for further debating experiences. Congratulations again to all participants for your efforts.

I understand that our debaters are improving at each event and our teams are proving to be competitive against our opposing schools who have entered the competition.

**Donovan Moss – State Hockey**
This week Donovan will be heading down to Newcastle to participate in some training as part on the NSW Primary School Sports Association State Hockey side. Donovan will return to school for most of next week before heading off to Perth to participate in the National Hockey Championships in Week 4.

I am confident that our entre school community will join with me in wishing Donovan well. I am sure he will do his best and display his goalkeeping talents proudly.

Until next week...

**The 2015 Premier’s Debating Challenge for Years 5&6**
On Tuesday the two Woodburn debating teams attended the second gala debating day at Wyrallah Road Public School. The Whirlwinds won their first debate and lost their second in a very closely contested contest. The Wolves had only one debate on the day which they won resulting in them becoming the zone winners. The Wolves will now proceed to a knock out competition until a regional winner has been determined.

Congratulations to all the students who challenged themselves by participating in this competition thus developing their debating and public speaking skills (Whirlwinds – Corey Svoboda, Keely Johns, Damien Rojcevic, Alannah Skaines and Bonnie Smith, Wolves - Kyla Smith, Ben Fletcher, Mikayla Kennedy and Chloe Trustum). Thanks also to Tracy Cummings for help in transporting the students to and from these events.
